C&D Debris Diversion Program: Recycling Resources

The recycling requirement can be fulfilled by utilizing a licensed waste hauling service that recycles the mixed C&D debris. The following is a list of licensed waste haulers that recycle. This list is a sampling of facilities in the area and is for information purposes only. **The City is not endorsing or recommending any of the listed providers.** If you are a licensed recycling business and would like to be listed, please contact the Building Division at 818-238-5220.
